Subject: Extension of Expiration Date for ASME Certificates of Authorization N, NPT & NV (N-3145, N-3146 & N-3147) Exp. 4/23/2010

Dear Mr. Hoffmann:

This letter is to serve as an extension of expiration date for the subject Certificates for which the current expiration date is April 23, 2010.

Since you are presently scheduled for a survey on April 26-30, 2010 this extension will allow sufficient time for the evaluation of the survey results. Therefore this extension of the expiration date of your subject Certificates will expire on **June 30, 2010** or upon the completion of the evaluation of the results, whichever comes first.

Very truly yours,

Bibi W. Rahim, Manager
